

District Cross Country 2022

Postponed (again)!

Apologies to all the students who were looking forward to participating at District Cross Country on Monday the 30th of May. Unfortunately due to the state of the grounds at Blackbutt Forest Reserve, District Cross Country has had to be postponed again. The new date is **Wednesday June 1st, with a backup date of June 3rd**. The details below are still relevant to the event. Notes and payment should be returned to the office if they are still outstanding.

Wednesday is our school Reconciliation Picnic and Assembly. Some students are involved in this assembly and it is encouraged that they return to school for the event in the afternoon.

If your child can no longer attend please inform the school office immediately. Please stay up-to-date with any changes via the school app- Skool Loop, and the Berkeley West Public School Facebook page.

Apologies for the ongoing inconvenience.

Miss Haworth
District Cross Country Organiser.
