

2022 Easter Hat Parade

Due to the BOM weather forecast of extreme wet weather for the next few days until the weekend, we have decided that the Easter Hat Parade will be held indoors.

The parade will go ahead indoors and because the space is restricted and we wish to provide a COVID safe environment with adequate ventilation to keep everyone safe, it means that **parents/visitors are no longer invited to attend.**

2022 Easter Hat Parade

- Our parade will be recorded and shared on our Facebook page.
- The parade will be followed by lunch where our Parents & Friends (P&F) committee have organised a sausage sizzle for those who have ordered.
- Any families that have placed sausage sizzle orders for themselves or others, are **permitted to come into the school grounds from 1.15pm to collect their order from the P&F in the undercover area outside the canteen.** Parents must collect their order & then leave the school grounds
